RE: 2011 Christmas Angel Tree Program

Dear Ms. Mataras,

We have good news! We did it again! Thanks to organizations like yours and your overwhelming generosity, The Salvation Army was able to make the Christmas Season happier for less privileged children.

This past Christmas 2011, we were able to assist over 150 families and over 300 children with quality clothing and toys. Many children also received coats to keep warm during the winter season. Thanks to your charitable spirit these families had a Christmas full of joy.

It is a pleasure to know that this community is still working together to help people in need and it is only because of your kindness that we can continue serving our less fortunate neighbors.

Thank you and God bless you as you help others.

Sincerely,

Eileen Valverde, Lieutenant
Corps Commanding Officer
